EXPERIENCE

Restaurant Manager Assistant   Phnom Penh, KH
Mamak's Corner   *March 2020 - December 2021*

- Multifaceted set of responsibilities that include customer relations, financial management, and notably, employee management, and supervise staff to ensure they are well-trained and aligned with company values
- Ensure customer concerns are addressed promptly to maintain high satisfaction levels. As on the financial side, I manage daily cash reconciliations and deposits .

PROJECTS

Car Rental | *HTML, CSS, JavaScript, PHP, MySQL*   August 2022 - December 2022

- Allows employees to insert customers rental options
- Displays the cars availability for specific dates and types of cars
- Ability to change and delete upon request of the customer

Personal Portfolio | *HTML, CSS, JavaScript,React.js*   September 2023 – September 2023

- Designed the UI/UX, implemented the front-end, and managed deployment.
- The website includes an 'About Me' section, a project gallery, and a footer with direct links to my professional profiles.
- Spent significant time fine-tuning CSS to ensure the site was fully responsive and aesthetically pleasing.
